Dear Safarist,

We are delighted to invite you to the 26<sup>th</sup> Anniversary Lightning Ridge Police Bush Safari. Our 26<sup>th</sup> safari, “”, will be another fairly easy going trip. We will be taking in some great sights through parts of NSW and VIC with friends, old and new!

We are meeting at the Warrumbungles NP on Saturday 24<sup>th</sup> September 2016.

The registration this year is \$1000. **Don't miss our early birds special of \$50 off, if you pay in full on or before the 31<sup>st</sup> July.**

**A special incentive to bring someone new, if you can refer another booking that has never been on our safari before we will give you an extra \$200 off your rego!! You could save yourself \$250!**

The final night is at the Lightning Ridge Bowling Club, where we will be able to share our stories and reminisce over a cold one, as well as dig deep for our charity Auction

Your favourite Bush Safari evening entertainment will be on tap with activities that could include a trivia night, theme nights, the unforgettable Talent Quest - or just a yarn around the campfire!

The Safari will again be supported by local volunteers from the Ambulance, SES & Police Services as well as a couple of local vehicle fixeruppers who will all do their best to keep you safe and happy while enjoying the challenges of outback driving.

All this adventure and fun does have a serious side though! Part of your rego is accommodation fees, as well as some of our running costs including our insurance, general administration costs, printing and postage and trip planning as well as fuel for the service vehicles. The remainder of the money raised from entry fees and games/fines en route goes directly to local initiatives to benefit the young people of Lightning Ridge. So bring your small change (gold coins) and holiday with us knowing that you are positively contributing to our remote community and also to those through which we pass!

One of the biggest differences of joining our adventure is that you need not worry about anything. The route is planned, all you need to do is follow the kangaroo signs and read the supplied information booklet. All your camping sites are organised and paid for, saving you another headache. There is no queuing to book into and pay at each location, you simply turn up and set up camp and the next morning pack up and head off.

The Lightning Ridge Police Bush Safari will be assisting with the organization of meals this year. There will be 2 types of meals, but no meals provided or organized on rest days.

1. Lightning Ridge Police Bush Safari provided meals
2. Final night presentation & charity auction dinner

#### **1. Lightning Ridge Police Bush Safari meals**

LRPBS can offer the provision of meals at certain locations. With LRPBS meals you only have the option to purchase all or none. There are 3 meals provided this year to try and bring everyone in and mingle and make sure you mark them down on the rego form.

## **2. Final night presentation & charity auction dinner**

This meal can be ordered separately to all of the above so please come and join us to reminisce, have a laugh and enjoy the charity auction. For the final night dinner an Adult is \$25pp and is considered any person over the age of 15, a child is \$15pp. The final night dinner needs to be paid with your registration.

You also now have the option of completing the registration form electronically. To do this you need to download the form from [www.lrpbs.org.au](http://www.lrpbs.org.au) or the LRPBS Facebook site, complete the form on your computer print it, sign it & post it.

We look forward to seeing familiar and new faces on our 26<sup>th</sup> adventure; we would appreciate your support in forwarding this information to your friends and family.

[We are also becoming more mainstream with electronic downloads, websites and emails. Please note that if you have an email address please provide it so we can take you off the snail mail list. The mail out list is quite extensive and costs money to post.](#)

Yours truly,

Mitch McCabe
