Dear 'Tri Dusty Corners' Safarist,

We are delighted to invite you to the 27th Anniversary Lightning Ridge Police Bush Safari. Our 27th safari will be challenging but well worth the isolation and distances. We will be taking in some great sights through parts of NSW, SA and QLD with friends, old and new!

We are meeting at the Lightning Ridge Information Centre on Saturday 23rd September 2017 at 6pm.

The registration this year is \$750. **Don't miss our early bird special of \$50 off, if you pay in full on or before the 31st July.**

A special incentive to bring someone new, if you can refer another booking that has never been on our safari before we will give you an extra \$200 off your rego!! You could save yourself \$250!

The final night is at the Lightning Ridge Bowling Club, where we will be able to share our stories and reminisce over a cold one, as well as dig deep for our charity Auction.

Your favourite Bush Safari evening entertainment will be on tap with activities that could include a trivia night, theme nights, the unforgettable Talent Quest - or just a yarn around the campfire!

The Safari will again be supported by local volunteers from the Ambulance, SES & Police Services as well as a couple of local vehicle fixer-uppers who will all do their best to keep you safe and happy while enjoying the challenges of outback driving.

All this adventure and fun does have a serious side though! Part of your rego is accommodation fees, as well as some of our running costs including our insurance, general administration costs, printing and postage and trip planning as well as fuel for the service vehicles. The remainder of the money raised from entry fees and games/fines enroute goes directly to local initiatives to benefit the young people of Lightning Ridge. So, bring your small change (gold coins) and holiday with us knowing that you are positively contributing to our remote community and also to those through which we pass!

One of the biggest differences of joining our adventure is that you need not worry about anything. The route is planned, all you need to do is follow the kangaroo signs and read the supplied information booklet. All your camping sites are organised and paid for, saving you another headache. There is no queuing to book into and pay at each location, you simply turn up and set up camp and the next morning pack up and head off.

The Lightning Ridge Police Bush Safari will be assisting with the organisation of meals this year. There will be the following types of meals this year,

1. Lightning Ridge Police Bush Safari provided meals
2. Catered meals at your cost – Numbers needed for catering
3. Road Kill Cafes – B&E Breakfasts, Hamburger Lunches (at your cost)
4. Own Arrangements – This is pretty straight forward (you look after yourselves)
5. Final night presentation & charity auction dinner
